This tough skin is why it can run around in tunnels
That's why I choose to fight here...
but I don't think I needed to do that
There's no Pokemon that can match its footwork
And it's most comfortable with spaces like those narrow tunnels, such as this hallway

"To us"... Your Pokemon also want to win the Pokemon League
During our battle, you kept using the words "to us"
You also said some unforgettable words to me
...
...
They're different in many ways
A coach has his duties. His players each have their own personalities and strengths
but they all want to win
You said that a trainer and his Pokemon are like a coach and his players
As long as you're an excellent coach, your Pokemon will stay by your side
The players want to play under an excellent coach
